Subject: Montgomery

Sorry for any confusion this may lead to, but here is my best attempt to inform all of what came through our doors and what I have sent or WILL send to you.

Because these documents may be too large for you server, I will send two different emails ((1) SNELL AND WILMER and 2) MONTGOMERY) each with two attachments. Let me know if you do not receive these four documents and I will fax them to you.

Montgomery:

- Cover letter: Montgomery Archaeological Consultants. June 21, 2006. (DOGM tracking #0150) (ATTACHED)
- (1-75 PAGES): Cover page for SHPO; BLM Summary report document; Survey report: Patricia Stavish. June 21, 2006. Class II cultural resource inventory of the Lila Canyon Mine's area of potential subsidence; IMACS pages. (DOGM tracking #0001, confidential date folder 06212006) (ATTACHED)

YOU PROBABLY ALREADY RECEIVED THE ENTIRE MONTGOMERY SUBMITTAL, BUT IF NOT HERE IT IS. THE REPORT IS LARGE, SO LET ME KNOW IF YOU DON'T RECEIVE THE COVER LETTER OR 75 PAGE SUBMITTAL.

LAST WEEK I SENT (OR FAXED) HARDCOPIES OF THE MONTGOMERY SUBMITTAL TO BLM, SHPO, AND OSM.
